The **Science Centre Singapore** was established to showcase exhibits illustrating the physical sciences, life sciences, applied sciences, technology and industry, and promote the dissemination of knowledge in science and technology.

Butterflies Up-Close: Get up close with butterflies @ Singapore's first indoor butterfly sanctuary. Butterflies Up-Close presents a unique insight into the life of a butterfly as you follow its remarkable transformation from an egg to an adult. The exhibition allows you to observe at close range the many fascinating aspects of this distinctive order of insects and delight in the

spectacular beauty of more than 500 live butterflies.

Explore new horizons with an **Omni-Theatre 3D Fulldome Movie or Fulldome Movie!** Get set for an eye-opening experience complete with crystal-clear images on a 23m wide dome screen, crisp surround sound and specially designed new seating. The latest 8K resolution digital planetarium technology will transport you to any destination on Earth and in space.
