Calypso Cabaret Show Bangkok at Asiatique gives you one of the warmest welcomes you can find in the land of smiles and does so in many different languages. Over 25 years in the running, Calypso Cabaret continues its fine tradition of producing world-class entertainment featuring Bangkok's talented ladyboys.

The show begins with a celebration of culture and diversity, as the colorful and vibrant ensemble helps sets the mood. After an extravagant opening number, the show will progress with the ladyboys (Thai transgender artists) wearing spectacular costumes and makeup.

The acts are a good mix of drama, comedy, modern and traditional music. Some of them are designed to appeal to nationalities in the audience like the Chinese and Korean acts, while there is

meaning in others, like the “Free your mind” act.

In performances of both Asian and international influences, you will be mesmerized by the costumes and showmanship as the performers present traditional numbers from Korea like Arirang and powerful jazz numbers, comedic performances, and even a Chinese ballad complete with a dramatic storyline.
